Dear Sir or Madam:

Re: Certification of Canadian residency for the tax year XXXX
Tax agreement between Canada and XXXXXXXXXXXX
"Name of the individual, trust, or corporation"

This is to certify that, based on available information, you are considered a resident of Canada for income tax purposes for the tax year noted above.

With this certification, the foreign authorities may apply the provisions of an existing tax agreement. This may reduce or eliminate foreign tax on foreign income for a resident of Canada.

If you have any questions regarding this letter please call XXXX.

Yours sincerely,
